Proposal	S4.55(2) - Modification of consent
Prepared by	Natasha Ridler, Area Planning Manager
Date	25 June 2024

Nature of conflict A conflict of interest arises as Council is the owner of the land to which the development relates.

Risk rating The conflict of interest reviewed and identified as Medium Risk.

Management strategy The council will manage the conflict of interest as follows:

- The application will be reported to the Local Planning Panel for determination
- Council development assessment staff not involved in preparing the application will assess the application and either determine the application under delegation or review the report to the Local Planning Panel.
- The assessing officer and determining officer(s) will complete a declaration confirming they do not have an interest in the application
- The management strategy will be amended if necessary if a change in circumstances occurs and/or where the CEO, Director or Executive Manager Development determines that it is appropriate to do so in the circumstances of the case

Contact Anyone with concerns about council fulfilling its obligations should report their concerns to the council.
